

Acta Theriologica 52 (4), 2007.**Contents**

- 339 Long-distance movements of individuals in a free-living bank vole population: an important element of male breeding strategy
KOZAKIEWICZ M., CHOŁUJ A. and KOZAKIEWICZ A.
- 349 Harvest mice *Micromys minutus* and common dormice *Muscardinus avellanarius* live sympatric in woodland habitat
JUŠKAITIS R. and REMEISIS R.
- 355 Nest-site selection by the harvest mouse *Micromys minutus* in seasonally changing environments
KUROE M., OHORI S., TAKATSUKI S. and MIYASHITA T.
- 361 Seasonal reproduction in Mexican cottontail rabbits *Sylvilagus cunicularius* in La Malinche National Park, central Mexico
VÁZQUEZ J., MARTÍNEZ CHACÓN A. J., HUDSON R., RODRÍGUEZ-MARTÍNEZ L. and MARTÍNEZ-GÓMEZ M.
- 371 Mortality and reproductive patterns of wild European polecats *Mustela putorius* in Denmark
KRISTIANSEN L. V., SUNDE P., NACHMAN G. and MADSEN A. B.
- 379 Humming in bears: a peculiar sustained mammalian vocalization
PETERS G., OWEN M. and ROGERS L.
- 391 Prey availability and diet of maned wolf in Serra da Canastra National Park, southeastern Brazil
QUEIROLO D. and MOTTA-JUNIOR J. C.
- 403 Cranial variation in bottlenose dolphins *Tursiops* spp. from the Indian and western Pacific Oceans: additional evidence for two species
KURIHARA N. and ODA S.
- 419 Evaluation of the eye lens method for age determination in roe deer *Capreolus capreolus*
GAČIĆ D. P., MILOŠEVIĆ-ZLATANOVIĆ S. M., PANTIĆ D. S. and ĐAKOVIĆ D. B.
- 427 A friend in need is a friend indeed: feeding association between Japanese macaques and sika deer
TSUJI Y., SHIMODA-ISHIGURO M., OHNISHI N. and TAKATSUKI S.
- 435 Effects of human disturbance on movement, foraging and bed selection in red deer *Cervus elaphus xanthopygus* from the Wandashan Mountains, northeastern China
JIANG G., ZHANG M. and MA J.
- 447 Authors' Index to Volume 52
- 448 Editors acknowledgements
